ARTICLES OF WAR

ART. 95. When any non-commissioned officer or soldier shall die, or be killed in the service of the United States, the then commanding officer of the troop or company shall, in the presence of two other commissioned officers, take an account of what effects he died possessed of, above his arms and accoutrements, and transmit the same to the office of the Department of War, which said effects are to be accounted for, and paid to the representatives of such deceased non-commissioned officer or soldier. And in case any of the officers, so authorized to take care of the effects of deceased officers and soldiers, should, before they have accounted to their representatives for the same, have occasion to leave the regiment or post, by preferment or otherwise, they shall, before they be permitted to quit the same, deposit in the hands of the commanding officer, or of the assistant military agent, all the effects of such deceased non-commissioned officers and soldiers, in order that the same may be secured for, and paid to, their respective representatives.

ARMY REGULATIONS—EDITION OF 1861.

DECEASED SOLDIERS.

Par. 132. Inventories of the effects of deceased non-commissioned officers and soldiers, required by the 95th Article of War, will be forwarded to the Adjutant General, by the commander of the company to which the deceased belonged, and a duplicate of the same to the colonel of the regiment. Final statements of pay, clothing, &c., will be sent with the inventories. When a soldier dies at a post or station absent from his company, it will be the duty of his immediate commander to furnish the required inventory, and, at the same time, to forward to the commanding officer of the company to which the soldier belonged, a report of his death, specifying the date, place, and cause; to what time he was last paid, and the money or other effects in his possession at the time of his decease; which report will be noted on the next muster roll of the company to which the man belonged. Each inventory will be endorsed, "Inventory of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—." If a legal representative receive the effects, it will be stated in the report. If the soldier leave no effects, the fact will be reported.

Par. 133. Should the effects of a deceased non-commissioned officer or soldier not be administered upon within a short period after his decease, they shall be disposed of by a Council of Administration, under the authority of the commanding officer of the post, and the proceeds deposited with the Paymaster, to the credit of the United States, until they shall be claimed by the legal representatives of the deceased.

Par. 134. In all such cases of sales by the Council of Administration, a statement in detail, or account of the proceeds, duly certified by the Council and commanding officer, accompanied by the Paymaster's receipt for the proceeds, will be forwarded by the commanding officer to the Adjutant General. The statement will be endorsed, "Report of the proceeds of the effects of _____, late of company (—) _____ regiment of _____, who died at _____, the _____ day of _____, 186—."

NOTE 1.—The effects in all cases, when called for, should be turned over to the legal representative, without further authority from the Adjutant General. When the effects are turned over to the relative of the deceased before these inventories are sent to the Adjutant General, their receipt should be attached to the inventories. In all other cases, a copy will be sent with a letter of transmittal direct to the Adjutant General, and a duplicate retained by the officer.

NOTE 2.—Particular care should be taken to take receipts in duplicate from the Paymaster for any funds turned over to him; one copy should be sent direct to the Adjutant General and one retained by the officer.

SEC. 12. And be it further enacted, That the fees of agents and attorneys for making out and causing to be executed the papers necessary to establish a claim for a pension, bounty, and other allowance before the Pension Office, under this act, shall not exceed the following rates: For making out and causing to be duly executed a declaration by the applicant, with the necessary affidavits, and forwarding the same to the Pension Office, with the requisite correspondence, ten dollars, which sum shall be received by such agent or attorney in full for all services in obtaining such pension, and shall not be demanded or received, in whole or in part, until such pension shall be obtained; and the sixth and seventh sections of an act entitled "An act to grant pensions," approved July [fourteenth,] eighteen hundred and sixty-two, are hereby repealed.

FINAL STATEMENT

OR

William C. Burritt Co.

10th Reg't of Kentucky

VOLUNTEERS.

Quar. Aug 11 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other commissioned officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the Bd. Auditors of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Sutter and Landwages must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for "Died," &c., of course, should contain only the word "drafted" or "substitute," as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words "as a veteran," (or recruit,) as the case may be, should be inserted after the words mustered into the service of the U. S. A statement of all the transactions of Pay and Arrears being RECEIVED by the Soldier, and be made on the back of each final statement.

feeling that I am not competent or
qualified to hold the position of 2^d Lieut-
which I now do in Co. C, 10th Reg't Ky Vols
and also that I am doing injustice
to those who are, and are entitled
to promotion, also feeling that
I am even doing injustice to the
service. I hereby tender my
resignation of 2^d Lieut of Co. C,
10th Reg't Ky Vols, immediate
and unconditional.

In addition to the reasons already
assigned, my health as you know
has not been good during the past
three months, for more than half
the time I have been unfit
for service, and it is most probable
that such will be my condition
during the next three months.
I do not feel that my general
health is of that character as to
render me fit for military duty,
and for this reason also do I
tender my resignation and hope
that it will be received.

June 8th 1862

Sir:

In compliance with "General Orders No. 52, of May 12th 1862, from the War Department," I respectfully forward to you my resignation as 1st Lieut in Co. G. 10th Regt. Ky. Vols, accompanied by certificate of attending physician, - it being impossible for me to obtain a certificate from army surgeon, there being no Post under a Surgeon close to me. The physician under whose charge I was is of high repute -

I was ordered on 28th of January last, to report myself for recruiting service to Maj. Sidell, then "Supdt. of Ky. Rec. Service," in Louisville - I left my regt at Mills Springs, reported as ordered, and was placed at Haysville Marion Co. Ky. - undergoing operations on 10th of Feb. last. Immediately upon my arrival at my post, I was attacked with paralysis, and confined to my bed until 10th or 12th of May. On April 10th by "General order of War Dept" to - my new station was closed and I was ordered to my regt. - I was not able to go - am not now able to perform military duty -

Mails being my convenience, at the suggestion of Col. W. Seawell, I forward to you my resignation - I regret the necessity very much - yet I can only think that I can best serve the interest of my regt (10th Ky. Col. Geo M. Hudson) by resigning. I may add that I am in good standing in my regt. Please let me hear from you -

Respectfully,

Brig. Genl. S. Thomas,

Ser. J. M. Piddle has been under medical treatment since Feb. 9th 1862 and until the last 8 or 10 days confined to bed. He has been suffering with a disease of the nervous system, complicated with disease of left lung and heart. His disease was brought on by exposure in camp.

I consider that his disease entirely incapacitates him for the performance of military duty -

1st Lieut 10th Ky. Ry. Vt.

Ser. J. M. Piddle of the 10th Ky. Vols. having applied to me for a certificate on which to base his resignation as First Lieutenant in Co. G. 10th Ky. Vols., I do hereby certify that I have carefully examined this officer, and find that he is laboring under a disease of the nervous system confined to the left side, - complicated with disease of the left lung. He has been unfit for duty (active) since Feb. 9th. Though on recruiting service since that time and that in consequence thereof he is in my opinion unfit and incapacitated to perform the duties that devolve upon him as a soldier

has been under medical treatment, under my
charge, since Aug. 2nd 53 and until the 10th or
11th of the month Aug., has been confined to
his bed. He has been suffering with a severe
affection of the nervous system, complicated with
disease of right lung. At one time he had strong
symptoms of paralysis of the left side. The disease
was caused by exposure to winds.

I consider that his disease entirely prostrated
him for the performance of the duties connected
with military service. I am of the opinion that a
return to Camp life would bring upon him
disease with renewed vigor.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1/2*, *3/4*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1230 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificates be given until after sufficient time and examination to detect any attempt at deception.

AND CORRECTED BY DIRECTIONS

This certificate will be made out in duplicate. The soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially

authorized. After having received the action of the highest authority to which they are required to be sent, will be returned to the surgeon who issued them, and sent by him to the regimental, post, or detachment commander. If the discharge is authorized by the endorsement of the commander, the soldier's discharge, and the last paragraph of the certificate, shall be filled out, and forward both of these certificates to the Adjutant General's Office, United States Army, at Washington, D. C. They will not under any circumstances be given to the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. p.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will sign and seal the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his notes endorsed thereon, through the proper channel, as the division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially directed.

These certificates, after having received the notice of the highest authority to which they are required to be sent, will be returned to the same channel to the regimental, post, or detachment commander, who will, if the discharge is ordered by the commanding officer, sign the papers, and forward them to the proper authority, who will not send the certificate to the surgeon in charge of the hospital, and the soldier is discharged from the service.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *4, 4, &c.*, &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be faked or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

AND CORRECTED BY

DIRECTIONS.

This certificate will be sent out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not divided in divisions, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially assigned.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the surgeon, forward the papers, signed by the soldier's company commander, and by the surgeon, to the Adjutant General's Office, and there the same will be filed in duplicate, and the original will be returned to the company commander.

I, ~~John~~ Lieut Richard Grace
of the 10th Reg. Inf. N.Y. having applied for a
Certificate on which to ground leave for exten-
sion of leave of absence. I do hereby certify
that I have carefully examined this officer
and find that by reason of a gunshot wound
received at Marietta Georgia through the thigh
and furloughed home from Nashville
and reached here on the 9th inst. I found
an Empyemic condition of the thigh on
account of to early healing of the wound
is now discharging freely. And in consequence
thereof in my opinion he is unfit for
duty. I further state my belief that he will
be able to resume his duties in a less period
than thirty days and it is highly probable that
he will be unfit for duty at the end of that
period.

I find Richard Cross of the 11th Regt.
 Regt. Col., having applied for a certificate
 on which to ground leave for a temporary
 leave of absence. I do hereby certify that I
 have carefully examined the records and find
 that by reason of a wound that occurred receiv-
 ed at Fort Mifflin during the Siege, he was
 incapacitated from performing his military
 duties during the month of June, 1861.
 In view of this condition I found a
 temporary leave of absence on account of
 his injury, during the absence, it is necessary
 that he is a physician unfit for duty. I have
 thereupon decided that he will not be
 able to resume his duties in a less period than
 thirty days, and it is highly probable that he
 will be well in July at the latest. I have
 signed at Springfield this 1st of Sept 1861.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *1/2*, *3/4*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, mania, ulcers, or any obscure disease liable to be purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

AND RECEIVED BY

DIRECTIONS.

This certificate will be made out by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channels, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially

certified, after having received the action of the highest authority to which they are required to be sent, will be returned to the company commander, to be retained by him, or forwarded to the proper authorities, as the case may require. If the discharge is granted by the company commander, the soldier's certificate, and the action of the company commander, will be forwarded to the proper authorities, as the case may require. If the discharge is granted by the company commander, the soldier's certificate, and the action of the company commander, will be forwarded to the proper authorities, as the case may require.

FINAL STATEMENT

OF

Private Henry W. Gunk
10th Reg't of Kentucky Infantry
2^d
VOLUNTEERS.
Hollow Sept 1. 1864

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates, with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster: the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 3d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Lawdrees must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for furloughed volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for those, if enrolled, should contain only the word drafted or substitute, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words "discharge," (or service,) as the case may be, should be interlined after the word enrolled into the words of the U. S. A statement of all the statements of Veterans or Recruits should be RECEIVED by the Soldier or be made on the back of each final statement.

S. F. O. No. 62. Part V.

Laverne Iron
March 2 1863

Br Gen Garfield
Chief of Staff Army of the Cumberland
Murfreesboro Tenn.

General: I hereby tender
my resignation as Colonel of the 10th Ken-
tucky Volunteer Infantry. I am not indebted

to the Government of the United States,
nor have I any Government property
in my possession. I have not been
absent any time without leave, nor
are there any charges against me
which can affect my pay. I
have been paid to January 1. 1863.

It is due to my Superior
officers - to those with whom I
originally entered the service, and
to the cause in which we have
alike labored for nearly sixteen
months that I should state ex-
plicitly the reasons which have
induced me to take this step.

The recent sudden death
of my father has devolved upon me

duties of a private nature which I cannot with propriety, neglect, and which the exigencies of the public Service do not require that I shall neglect. These duties relate to the unsettled business of my father which demands my immediate personal attention.

I deeply regret that I am compelled, at this time, to return to civil life. It was my fixed purpose to remain in the Federal Army until it had effectually suppressed the existing Armed Rebellion and restored the Authority of the National Government over every part of the Nation. No ordinary considerations would have induced me to depart from this purpose. Even the private interests to which I have alluded would be regarded as nothing, in my estimation, if I felt that my continuance in or retirement from the Service would, to any material extent, affect the great struggle through which the Country is now passing. If therefore, I am compelled to retire from the Army, I beg the Commanding General to feel assured

that it is from no want of confidence
in the justice or the ultimate triumph
of the Union Cause. That Cause will
always have the warmest sympathies
of my heart, for there are no conditions
upon which I will consent to a dis-
solution of the Union, nor are there any
conditions, ~~upon which~~ consistent with
a Republican form of government,
which I am not prepared to make,
in order to maintain and perpetuate
that Union.

I have the honor to be, General,
Very Respy,

May General

Chief of Staff 14th Army Corps
Manfred Barrison

May

I respectfully

ask that I be ordered to Kentucky
to collect all the absentee from
the two ~~regimental~~ regiments in my
Brigade, especially from the 10th
regiment (my old regiment) for which
there are a large number and
with the residences of whose abse-
ntees I am well acquainted. I
could during my absence take
some steps towards effecting another
important end for my Brigade, viz
indisputably in the course of the
various regiments.

I shall be frank
with the Commanding General and
state that one of the chief
reasons for making this ap-
plication is that I may at-
tend to some business at home

of a purely private nature which requires my personal presence, else I must suffer a greater pecuniary loss than I can bear.

I entered the war without any previous preparation, and since my regiment left Lebanon Ky on the 3rd Dec 1861 for Mill Springs, I ~~have~~ ^{have} not ^{been} absent from my post a single day previous to the time of assuming the command of this Brigade. And since I assumed command of the Brigade, I have ^{been} absent but ~~one day~~ ^{a day and a half}, and that was during its recent campaign into Kentucky. That last absence was under circumstances that precluded all attention to any private business.

My old Division Commander, ~~Col~~ Major Thomas can bear testimony to the fact that while under his immediate command, he was not troubled with applications for leaves of absence from me.

I am aware that it is generally customary to urge "important private business" in all such applications at this. In that point of view, I can only pledge my honor

as a gentleman and soldier, that what I
say in regard to my private business
is strictly true. And to speak more explicitly,
I have bank obligations of a (to me) large
amount, hanging over my head and involving
others, which my honor compels me to arrange.

I ask therefore, that such an order
be made as will enable me to be
absent for 15 or 20 days - the latter
time if possible.

The Brigade will be left in good
hands - my Regimental Commanders are
all present for duty and this short
temporary absence cannot affect
the public interest.

I have the honor to be, Col.
Very Respy

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1200 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, scurvy, ulcers, or any obscure disease liable to be induced or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will send them, with his action endorsed thereon, through the proper channel, to his division commander, or, if the troops are not attached to a division, to his corps, department, or other commander or officer having the authority to discharge enlisted men may be specially authorized.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned by the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last paragraph on this paper; see that the soldier is furnished with the duplicate statements in duplicate, and forward BOTH of these copies to the Adjutant General United States Army, at Washington, D. C. if they will not under any circumstances be given to the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as $\frac{1}{2}$, $\frac{3}{4}$, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not under any circumstances be given into the hands of the soldier.

C. B. 10 Reg't of Ky Vol Infy

VOLUNTEERS.

Died August 22 1864.

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged without being mustered out, (Final Statements are never given to men mustered out of service,) that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; with these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his vouchers the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. The endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the Company Commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his last final statements from the fact that his descriptive list is incomplete. These accounts for each pay, &c., are settled by the 1st Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Butler and Laurence must be entered on the muster roll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Adjutant General, Washington, D. C.

NOTE 9.—If the soldier is a drafted man or substitute, the space for this, &c., of enrolled, should contain only the word *drafted* or *substitute*, as the case may be. If the Soldier is a "VETERAN," (or RECRUIT,) the words as a veteran, (or recruit,) as the case may be, should be interlined after the words *mustered into the service of the U. S.* A statement of all the installments of Veteran or Recruit Bounty RECEIVED by the Soldier must be made on the back of each final statement.
